

Good Morning,

As a response to the Governor's Executive Order regarding expiring licenses, please see revised DMH guidance for community licenses:

- Providers and Licensed Entities who's Licenses have recently expired or will be expiring or are facing Corrective Order (deficiencies), DMH Community Licensing will extend these Licenses **for a period of 90 days after the termination of the State of Emergency** as well as non-health and safety deficiencies.

If you have any questions, please feel free to contact me at 617-851-8729 or Jay Potter at 508-975-1245.

Thank you

Kim
